# K67-NOS "THE HYBRID"<sup>TM</sup>

"The adjustable knee brace"

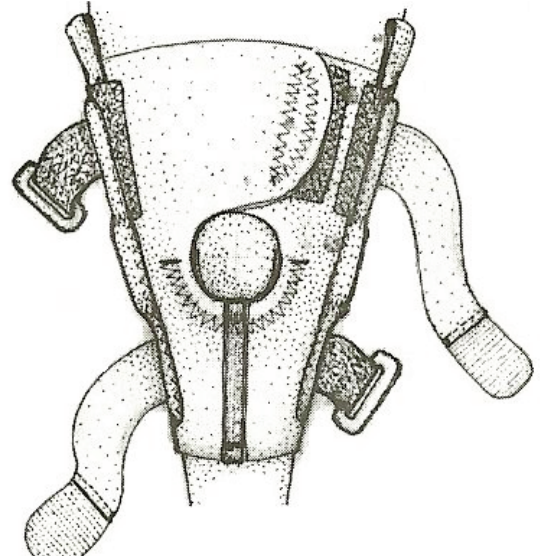

Sizes Pediatric XXS to Adult XXXXL

K67 Hybrid 1/2 Wrap-Around and 1/2 Sleeve

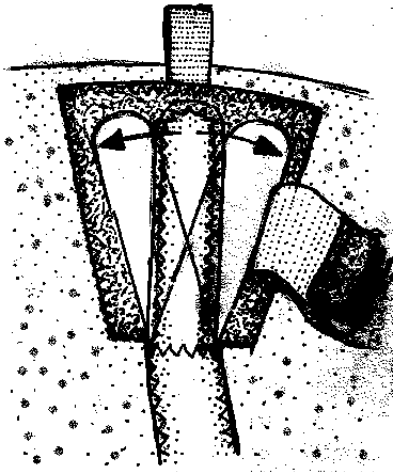

U.S. Patent 7217249

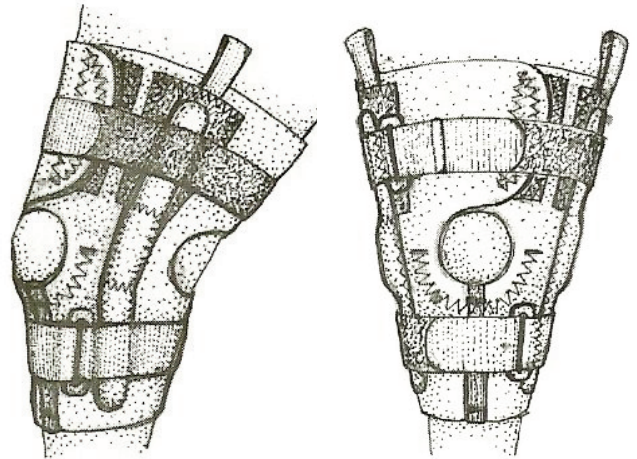

1. Use tabs at top of brace to position lower sleeve on calf

2. Close anterior wrap around top section

4. Adjust the medial and lateral hinges so that they are anatomically aligned.

3. Secure bottom strap first and then secure top strap. Brace is now properly fit.
